MATERIAL SAFETY DATA SHEET

SECTION 8	Exposure Controls / Personal Protection
Eye Protection:	Always wear approved safety glasses when handling a chemical substance in the laboratory.
Skin Protection:	Wear protective clothing and gloves.
Respiratory Precaution:	If ventilation is not available a respirator should be worn. The use of respirators requires a Respiratory Protection Program to be in compliance with 29 CFR 1910.134.
Hand Precaution:	Always wear suitable gloves/gauntlets
Ventilation:	Handle this product in an efficient fume hood.

SECTION 9 Physical and Chemical Properties

Appearance:
Melting Point:
Boiling Point:
Specific Gravity:
Molecular Weight:
Odor:

SECTION 10 Stability and Reactivity

Solid No data None No data 170.1 No data

Conditions to Avoid:Heat, sparks and flamesIncompatibility:Oxidizing agents, reducing agents, and bases

SECTION 11 Disposal Considerations

Contact a licensed professional waste disposal service to dispose this material in accordance with national, state and local regulations. Do not discharge into waterways or sewer systems without proper authorization.

SECTION 12 Transportation Information

Not hazardous for air and ground transportation when sealed or packed properly.

SECTION 13 Other Information

The information herein is believed to be accurate and reliable to the best of our knowledge as of the date compiled. However, the toxicological effects of this material have not been fully investigated. Chemcia Scientific,LLC does not accept liability for any loss, injury or damage resulted from the use of this product.
